****

Beloved Ones:

It is with a feeling of sincere gratitude and pleasure that I acknowledge receipt of the many responses to My appeal for your interest and co-operation on behalf of those blessed Spirits mentioned in Bulletin 22 of August 16th who are desirous of re-embodying in the course of the next five to seven years that the Earth might have the benefit of their radiation and the knowledge they have attained during their stay in the Octaves of Light, especially during the crucial period which she will be called upon to pass through in the next twenty years. In answer to the many enquiries as to how you may assist in this endeavor, I would suggest:

First - That you make daily calls to the Lords of Karma on their behalf, asking that they may be allowed to come into embodiment exempt from the restrictions of suspended memory which would limit the service they are eager to give.

Second - I would ask that through the Power of the Sacred Fire in one of Saint Germain's Temples of Mercy, that every vestige of human creation, with all its memories and tendencies, causes and effects, may be burned from their consciousness.

Third - That through Cosmic Love they may not tie themselves to the karma of family, race or nation, which freedom would allow them to serve anywhere on the Earth's surface without strain on either mental or emotional bodies.

Fourth - That these blessed ones may take up their Earthly habitations in families of exemplary virtue, both in inner and outer expression.

Regarding this Band of Forgetfulness, I would like to explain that it is most expedient that a Brother from the Beloved Kuthumi's Temple of Wisdom stand by their sides always, to guard, guide and protect them until they grow into the full conscious knowledge of their own Christ Selves. You might add this invocation to the list of your calls.

This represents a unique and most important service to the evolution of the planet, and it is the result of a personal petition by both Kuthumi and Myself before the Lords of Karma. It should also help tremendously in the restoration of the Divine Memory of the more advanced members of the race, and should encourage individual efforts towards the transmutation of the human nature, it being obvious that the Band of Forgetfulness cannot be loosened in the individual until all traces and tendencies to hate and resentment are eliminated from the consciousness. If these qualities are still present in the lifestream when the memory is restored, they are apt to be stirred to new life and intensity, especially should one encounter those who were connected with those unpleasant experiences of the past. This

needless to say, would retard the soul growth, and would not serve any end. We are, as it were, throwing out many Celestial hints at this time due to the importance of the times, and I rejoice that so many of you have been so quick to respond.

Blessings and Love,

MAHA CHOHAN

****

Wherever "I AM" my very Presence in the universe is a constant outpouring and release of God Life and Light; God Truth and God Freedom to all I contact every day in every way.

Beloved Ones:

knowing your interest in the great half-yearly Councils, I have asked My Beloved Son, Kuthumi, to give you a resumé of the scenes enacted there, the events leading up to the petitions to the Lords of Karma, and the considerations taken into account by that August Body before these Dispensations are granted.

MAHA CHOHAN

****

Dear Friends of Love and Light:

The Beloved Maha Chohan has asked Me to touch lightly upon the activities preceding the Grants in the half-yearly Cpuncil, and with your permission, I shall endeavor to do so.

When the Great Lords of Karma gather and take Their Thrones at the Mighty Conclave in your own beloved Rocky Mountains, opportunity is afforded to every Master, every Retreat, every Angel, Deva, Cherubim and Seraphim Whose Life is dedicated to the forwarding of God's Plan on the Earth, to apply for and receive energy to further increase the manifestations of Their particular plan or petition. Of this you are already aware.

The Grants and Dispensations, up until the last few years, were dependent entirely upon the
